 TRANSFER TAPES AND PROTECTIVE FILMS

## GXP 600 Series

### Features & Benefits:

- Easy to handle and excellent choice for all cut vinyl transfers.
- Premium paper transfer tape for more stability.
- Manageable and forgiving when applying graphics.
- Smooth release with no adhesive residue left behind after removal.
- Forgiving when applying graphics.
- Cost savings for every day use applications.

**PerfecTear™**

### GXP 600 Series: 625/650/675/695

Main Tape's **PerfecTear™** paper application tape takes the hassle and mess out of using transfer tapes. Our **PerfecTear™** tape tears cleanly with no stringy legging adhesive and our improved adhesive system is very forgiving. If adhesive touches adhesive, **PerfecTear™** pulls apart easily, with no adhesive transfer.

Clean, slit-to-order edges provide easy unwinding of tape rolls. **PerfecTear™** application tape also offers a superior performance in wet applications, with no gluey mess and no time-consuming clean up.

Main Tape manufactures a full line of products specially developed for positioning and protecting graphics. We will train your staff on all product applications. The results are nothing short of perfection.

##### Performance

Tensile Strength (pli)  
 MD 20  
 Elongation (%) 11.0

##### Average Adhesion (oz/in)

180° Peel @ time of manufacture  
 PSTC#4 bright annealed stainless steel 14.5

The physical properties listed above are typical values and are not to be considered as specifications. Our suggestions for use are based on tests we believe to be reliable. However, the purchaser must determine the suitability of the product for their internal use. Main Tape assumes no liability for claims beyond those outlined within our Limited Warranty, which includes replacement value of Main Tape product proven defective. For full disclosure of the Limited Warranty, please contact your Main Tape representative.

**Typical Uses** - Excellent for very small pre-cut lettering for signage. The premium grade paper provides superior dimensional stability, easier handling for vehicle decal installations and better moisture resistance for wet applications.
